Garden Reuse Ideas

Here are some ways to reuse items by adding them to your garden and help cut down on waste.

Cut used plastic bottles or containers as plant covers to protect your seedlings.

Nail used plastic food containers to a post to create mini bird feeders.

Cut up and sew your old jeans to make an upcycled gardening belt to hold your tools and seed packets.

Use umbrella handles or other tall, thin objects you're planning to discard for plants that need stability.

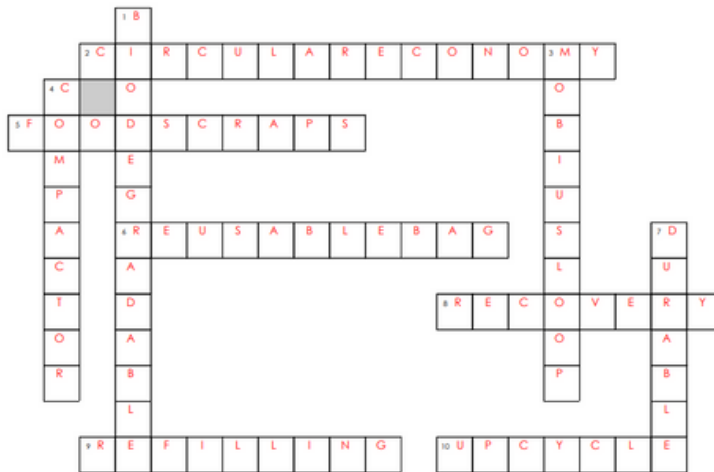

Answer Key

*** Each recycling program is unique in what it accepts, therefore any activity that asks you to look up items in the 'What Goes Where' search tool will not have answers provided in this answer key. The correct answer for each item are searchable on the Recycle Coach Mobile App.
